## Consent for Dental Treatment

I request and authorize Dr. Herrin to examine, clean, and provide dental treatment on my child's teeth. I further request and authorize the taking of dental x-rays as may be considered necessary by Dr. Herrin to diagnose and/or treat my child's dental problem. I will allow photographs to be taken of my child or child's teeth for diagnostic or educational purposes. I understand that dental treatment for children includes efforts to guide their behavior by helping them to understand the treatment in terms appropriate for their age. Dr. Herrin will provide an environment likely to help children learn to cooperate during treatment by using praise, explanation and demonstration of procedures and instruments, and using variable voice tone.

I hereby authorize any payment of dental benefits to be made directly to Herrin Pediatric Dentistry. I also understand that any amount not covered by my insurance policy is my responsibility and is due at the time of treatment. I authorize treatment to be rendered and assume financial responsibility. I acknowledge that all non-current balances and accounts over 60 days will be charged a service charge of 1.5 % per month (18% per year) on the unpaid balance. The cost incurred in collecting this account including court costs, agency fees and attorney fees will be added to the balance due.

\_\_\_\_\_ I acknowledge the notice of privacy policies and understand that I may receive a copy upon request.

\_\_\_\_\_ I understand I may refuse to sign this acknowledgement.

## Parental Permission to Consent

Please provide the names of any persons whom you consent to bring your child to dental appointments. Keep in mind that this person will be able to consent for treatment and will be financially responsible for any payments at that day of service.

## HIPAA Acknowledgement

I understand that I may inspect or copy the protected health information described by this authorization.

I understand that at any time, this authorization may be revoked, when the office that receives this authorization receives a written revocation, although this revocation will not be effective as to the disclosure of records whose release I have previously authorized, or where other action has been taken in reliance on an authorization I have signed. I understand that my health care and the payment for my healthcare will not be affected if I refuse to sign this form.

I understand that information used or disclosed, pursuant to this authorization, could be subject to re-disclosure by the recipient and, if so, may not be subject to federal or state law protecting its confidentiality.

## Financial Responsibility

Herrin Pediatric Dentistry is happy to file your primary dental insurance for your visit. Unfortunately, we cannot be liable for changes to your plan benefit coverage (which can happen unknowingly) and for inaccurate quotes by your insurance representative; therefore, you will be responsible for whatever the patient portion is on your Explanation of Benefits.

I understand that the treatment plan is our best estimate of insurance coverage. However, after insurance processing, I understand and agree that I am responsible for the remaining balance and will be billed accordingly.

Under most insurance plans, Nitrous Oxide is not a covered benefit. In the event you elect to use Nitrous Oxide and it is not a covered benefit, we will collect the \$80.00 at the time of service and will not bill your insurance.

I also understand that the provider reserves the right to charge office fees for non-covered services per Georgia law House Bill 189.
